3 STEPS

How to Join Activities

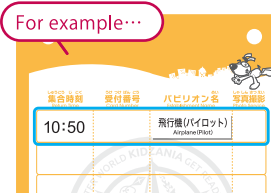

1 Go to the reception located near the establishment that you want to experience.

- Check the flag for which establishments can be reserved.
- Some establishments have their own reception in front of the establishment.

2 Kids can use their JOB Schedule Cards to reserve activities.

For example...

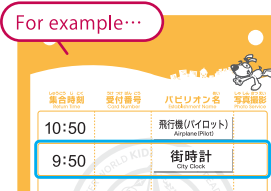

- Activity reservation times cannot be chosen.
- Available activity times can be checked at the reception.

3 Try any activity that will finish by the Return Time of the current reserved activity or try activities that do not require reservations. (★)

For example...

- Activity information is displayed on the Activity Information Signage.
- Until the Return Time, other activities can be reserved or tried, one at a time.

★ Non-Reservation Experiences | Duration | About 5 - 15mins
